Taylor's Plurality.....2,383

If TOM CAMPBELL hasn't "fixed"
that Jury properly—that is, according
to his well known Cincinnati methods
—and it fails to convict CALEB POW-
ERS, the whole fabric of the prosecu-
tion will fall. If it does, TUAN CAN-
TRILL had best stand from under, for
his rulings have been outrageous from
the very beginning.

W. H. CULTON says there is not a
word of truth in the testimony of ex-
Auditor SAM STONE, who on the wit-
ness stand at Georgetown charged
CULTON with stealing \$1,000. CULTON
says also that STONE did not discharge
him. Well, SAM STONE's simple
word will go with the people of Ken-
tucky, regardless of politics, where
CULTON wouldn't be believed under
oath.

In his testimony before Judge CAN-
TRILL at Georgetown, in the trial of
CALEB POWERS for the murder of GOE-
BEL, Adjutant General COLLIER said
that after the shooting he received an
order from Governor TAYLOR to confer
with the civil authorities in regard to
keeping the peace.

The prosecution—that is, TOM CAMP-
BELL,—objected to this order being
read, and the Court—that is, Judge
CANTRILL,—sustained the objection.

Of course; what else would one ex-
pect. Testimony showing that Gov-
ernor TAYLOR was trying to preserve
the public peace would be detrimental
to the object of CAMPBELL and CAN-
TRILL, which is to convict innocent
men for political purposes.

"BRECK" HILL, the usurping Sec-
retary of State,—the man who stole
the office to which the people of Ken-
tucky had elected CALEB POWERS—
presided recently over the Democratic
Congressional Convention at Paints-
ville, and in his speech accepting the
chairmanship these are among the
well chosen words that oozed through
his foul mouth—

"GOEBEL died better than all
the Republican sons of bitches living."

Such outrageous expressions as
these are only characteristic of the
brain that formed them. When he
made such a declaration, he did not
merely slander the men of the Repub-
lican party, but the state of woman-
hood throughout the Commonwealth.
They have repeatedly abused, slan-
dered and villified the women of this
state, and the man or the party that
would uphold a man in such brutal
attacks upon the fair women of Ken-
tucky is a disgrace to civilization.

And this "BRECK" HILL is the
Goebelite Secretary of State of the
grand and glorious old Common-
wealth of Kentucky!

THE Courier-Journal, which loses no
opportunity to do injustice to every
one who does not believe that the late
Mr. GOEBEL was an immaculate saint
instead of a plain murderer, recently
contained this special telegram—

ATTORNEY TINSLEY
Makes an Inflammatory Speech at a
Republican Rally.

LONDON, Ky., Aug. 3.—At a Republi-
can rally here last night J. H. Tinsley
of Barbourville, one of the Attorneys
for the defense in the Powers trial at
Georgetown, made an extremely infla-
mmatory speech, denouncing Tom Camp-
bell, the Goebel brothers and the prosecu-
tion of the trial at Georgetown by say-
ing that hungry hordes of people were
following Tom Campbell and the Goebel
brothers to get part of the \$100,000
reward fund. He said that the Republi-
can party was not guilty of assassina-
tion of Governor Goebel, and that
the accused Powers would be acquitted.

Certainly.

Anything that reflects upon the
methods of TOM CAMPBELL and the
GOEBELS is "inflammatory," and it is
rank incendiarism to say that the Rep-
ublican party is not guilty of assassina-
tion.

Well, if this be "inflammatory,"
THE LEDGER desires to be classed as a
full-fledged conflagration.

SENATOR BACON has been pounding
away at the Philadelphia platform.
Senator BACON is the gentleman who
recently distinguished himself by not
being able to tell the difference be-
tween toadstools and mushrooms.

THE production of wire nails in 1896
was only 4,719,810 kegs. Last year
it was 7,599,522 kegs. The increase
of 60% when the mills were open
meant a large amount of extra busi-
ness for all industries in which wire
nails are used.

ARTHUR GOEBEL declares that the
prosecution was "gold bricked" with
WEAVER by designing persons. AR-
THUR shouldn't be too hard on TOM
CAMPBELL. He is the delightful duck
who tried to "gold brick" CALEB POW-
ERS with WEAVER's lying testimony,
but for once he was caught up with.

Compare it with other local papers,
and then say, if you can, that THE LED-
GER isn't the best, and that it doesn't
give the most for the money. Can't
you afford to have it left at your resi-
dence for a month? Mr. Hal Curran
will be glad to book your order.

KENTUCKY FLASHES.
CONTRADICTORY EVIDENCE.

Both Sides in the Powers Case Are
Trying to Impach Some of
the Witnesses.

Georgetown, Ky., Aug. 3.—The trial
of ex-Secretary of State Caleb Pow-
ers developed that both sides in the
cases are dealing extensively in con-
tradiction and impeachment of some
of the witnesses who have testified in
the case. The most important testi-
mony heard was given by Corp. Milt
Trosper, of the military company at
Barbourville, of which Caleb Powers' brother John was captain. Trosper
gave testimony indicating that the
shot which killed Gov. Goebel was
fired from the third story of the ex-
ecutive building and not from the
secretary of state's office, which is on
the first floor. In almost the same
breath he declared that he and other
members of the military company had
been in Frankfort since January 29,
under secret orders from Gov. Tay-
lor.

At the afternoon session of the
court the defense further sought to
contradict W. H. Culton by introduc-
ing two witnesses who testified that
Culton told them he had an agree-
ment with the prosecution by which
he was not to be confined in jail. Cul-
ton on the stand denied that he
ever made such a statement and it
was also proved that he has been con-
fined in jail since his examining trial.

OVER TEN THOUSAND MISSING

County Clerk Claude Chinn Said to
Be Short in His Accounts
Which He Denies.

Frankfort, Ky., Aug. 3.—The report
of State Inspector Hines to Auditor
Collier of his investigation of the
books and records of County Clerk
Claude Chinn, of Fayette county,
shows Chinn to be short in his ac-
counts \$10,029.90. When Gov. Beck-
ham receives the report steps will be
taken immediately looking to the re-
covery of the money from the Fidelity
Deposit Co., of Maryland, which
furnished bond. The court of appeals
will be asked to remove Chinn from
office.

When Mr. Chinn was seen he said
that political hatred was behind the
whole matter because he had opposed
Goebel. He said that he had an ex-
pert working on his books and would
make no detailed statement until he
had made his report. He said: "My
office is all right and I am all right.
I am confident I will come out with
clean skirts. My political enemies re-
joice at the charge against me. I
simply ask for time. I will prove
everything is correct. The whole
story has not been told."

One of Chinn's deputies was dis-
missed from service four days ago.

Shot Sister-in-Law and Wife.

Newport, Ky., Aug. 3.—John W.
Jolly shot and killed his sister-in-law,
Lottie Kleekamp, and mortally
wounded his wife, at the home of
their parents at Ninth and Overton
streets, shortly after noon. Mrs. Jolly
is dying and there is no hope of
her recovery. Jolly had trouble with
his wife, and she went to the home
of her father, Henry Kleekamp, on
Ninth street, near Boone. He followed
her, and in a scuffle that ensued, when
he announced his intention of his
killing his wife, his revolver was dis-
charged twice. Jolly was arrested and
claims the shooting was accidental.

Saved His Wife's Life.

Constance, Ky., Aug. 3.—Scott Poe-
no heard a noise and woke his father.
He got his gun and his father a club
and they went to the door to in-
vestigate. They saw an object com-
ing toward the door and Scott raised
his gun to shoot. His father knocked
up the gun just as it was discharged.
The bullet just missed his mother's
head. She had gone out into the
yard, and the father saw it was his
wife in time to save her life.

Shows No Remorse.

Louisville, Ky., Aug. 3.—Jesse Dur-
ham, who, it is charged, murdered his
aunt in Meade county, will be kept
in jail until the feeling against him
has subsided sufficiently for a trial.
He is stolid and shows no remorse.
It is thought he is of unsound mind.

Two Colored Women Drowned.

Frankfort, Aug. 3.—Katie and Eliz-
abeth Taylor, young colored women,
were drowned in the Kentucky river
here. The women, with Alonzo Mil-
ler, an aged man, were crossing the
river in a boat when it overturned.
The bodies were not recovered.

Campaign Committee Organized.

Louisville, Ky., Aug. 3.—The Republi-
can campaign committee's formal
organization was perfected by elect-
ing Leslie Combs, Lexington, chair-
man; George W. Long, Leitchfield,
secretary, and George W. Welch, Dan-
ville, treasurer.

Blacksnake on His Bed.

Williamstown, Ky., Aug. 3.—Sing-
clar Harrison, a farmer, discovered a
large blacksnake coiled at the foot of
his bed, where it had slept all night.
After a lively battle he succeeded in
dispatching his bedfellow.

Three Buried in One Grave.

Dover, Ky., Aug. 3.—Mrs. McClel-
land and two of her children, who
died in one day, were buried in one
grave. Another child is expected to
die. They resided five miles south of
this place.

Tobacco Barn Burned.

Owingsville, Ky., Aug. 3.—A large
barn, and 3,000 pounds of tobacco,
owned by Richard Lane, three miles
south of this place, was destroyed
by fire. Loss, \$3,000; insurance, \$600.
